Excellent Familiarity with John H. Goolsby and Goolsby Law Office, LLC

30. I am very familiar with the work of John H. Goolsby.
31. I have known Mr. Goolsby since 2002, and I am familiar with his skills and abilities.
32. In my opinion, Mr. Goolsby is a highly competent and experienced lawyer.

33. Mr. Goolsby is an accomplished consumer law attorney, highly respected in the consumer law community, particularly in the Fair Credit Reporting Act field. I consider him the foremost authority on the Fair Credit Reporting Act in Minnesota.
34. The Fair Credit Reporting Act is a particularly complex area of consumer law. Fair Credit Reporting Act cases often require painstaking review of massive numbers of documents, including documents coded in industry-specific language requiring special expertise and patience to decipher. Many consumer-rights attorneys in Minnesota and elsewhere avoid Fair Credit Reporting Act cases. While I have some experience with them, my own firm does not routinely take them.
35. I do not have any business relationship with Mr. Goolsby except a professional and social one as a fellow attorney.
36. I have not been compensated in any way for my time in preparing this declaration.

Appropriate Hourly Rate for John H. Goolsby

37. I am acquainted with the prevailing hourly rates that are being awarded and charged to consumer clients in the Minneapolis/St. Paul Twin Cities area by consumer lawyers. I am also familiar with the rates charged all over the country for this kind of work.
38. I have clients who have retained me in the past six months at the hourly rate of \$525.00 per hour and have willingly paid that rate for the consumer rights work I performed for them.
39. Based upon my review of Mr. Goolsby's fee application, his declaration, and/or the exhibits filed in support thereof in the above-captioned case, and upon my

observations, experience, and knowledge of the current rates for consumer lawyers in the Minneapolis/St. Paul Twin Cities area, John H. Goolsby is an experienced and capable lawyer who can certainly ask for and expect to receive \$350.00 per hour, at least, for his professional time and efforts on behalf of consumer Plaintiffs. I believe that a rate of \$400.00 - \$450.00 per hour would certainly be reasonable based upon Mr. Goolsby's skills, abilities, experience and expertise in this area of law.

I, Peter F. Barry, declare and certify under the penalties of perjury that the above statements are true and correct.
